Overseas Students Degree Application - 2022/2023

This application is for all degree programs excluding the MA programs offered by the [Rothberg International School](#), the International MPH program and the international programs in the Faculty of Agriculture, Food and Environment.

Applicants for PhD programs should contact the [Authority for Research Students](#).

Please note that all undergraduate degree programs at the Hebrew University are taught in Hebrew (except for English Literature) and proficiency in the language is part of the admission requirements. There is a number of MA programs taught in English. Please check on our [website](#), before you apply, whether the program you wish to apply for is taught in English or in Hebrew.

The application must be filled out in English only. However, the instructions on the Application Forms and the general instructions page are available in several languages: English, French, Spanish, Russian and Arabic. You can choose the language from the top ruler.

Candidates for MA/MSc programs in many departments are required to submit an additional application on this website or an internal form, available on the departmental website.

Step 5: Forms Completion

There are four forms you need to complete:

1. **Personal Details Form**

2. **Academic Info Form**

Write the last institution you attended. Additional institutions can be listed on the CV.

3. **Proposed Studies Form**

You must first choose the degree in the first column. After a few seconds, the list of programs will open up in the second column.

4. **Declaration Form** (after the payment is complete)

Under the link “Application Instructions” you may find additional specified instructions for each form.

Step 6: Payment

Below the forms' section you can find a link to the payment page.

Please choose the appropriate payment type:

Full Application Fee	110 \$
Candidates currently studying in the Mechina program and applying for the BA degree program, or current students of the Hebrew University who are applying for another degree program.	70 \$
Application packet only: Current students of the Hebrew University applying for another department within the same degree program, as well as university employees and their families (according to university regulations).	13 \$

After completion of payment you will receive an email message with the payment confirmation and the payment confirmation number. You should copy this number to your Declaration Form.

If you have accidentally submitted an application form for Israeli applicants and paid the application fee, there is no need to pay again. Just copy the payment confirmation number (אישור עסקה) to the Declaration Form.

If you do not get a confirmation or rejection message within minutes, do not pay again. Check your spam folder, and if you haven't received a confirmation message, contact us at appen@savion.huji.ac.il.
